In order to use the alternate route you must:

- Hold an approved current permit for access over Baffle Creek bridge on the Carnarvon Highway,
- Comply with all conditions stated on the current permit, and
- Scope the route prior to travel to ensure the combination can travel safely.

Approved alternate route via the Leichhardt Highway (Route ID [1GZP7-4 v2](#))

This temporary variation letter is valid for the duration of your current permit or until the road works on the Carnarvon Highway between Rolleston and Injune are completed.

A copy of this letter must be carried along with the permit and produced to an authorised officer upon request.

Yours sincerely,

R. Matthews
