

Assessors and Certifiers

PBS Assessors and Certifiers are individuals appointed by the NHVR to carry out certain roles in the PBS vehicle approval process.

Resources

- **PBS Design and Vehicle Approval application forms-** Applications for Design Approval and Vehicle Approval must be submitted using an online form or uploaded to the portal via a spreadsheet submission tool. Submissions by email are not accepted.
- **Adding Identical-Footprint Vehicles to a PBS Vehicle Approval (PDF, 240KB)-** When new vehicles are added to an existing VA, these vehicles can have identical and non-identical axle spacings footprint to vehicles already approved on the VA. The identical-footprint policy allows operators to update their VA without unnecessary administrative delays associated with a brand-new VA number.
- **PBS Design Approval modification process (PDF, 380KB)-** This information sheet provides guidance about the administrative arrangements for making modifications to existing PBS Design Approvals (DAs).
- **Extension to the Pre-Advised Design Approval process (PDF, 228KB)-** Guidance about the extension of the PBS Pre-Advised (PA) design approval process that took effect from Monday 21 June 2020.
